## BIG INCREASE IN TAXES IN THIS TOWNSHIP THIS YEAR

Total of \$428,000 Will be Raised, This  
Being \$50,000 More Than Collected  
Last Year—Total Taxes Last Year  
Were \$377,000—C. & H. Mining Co.  
Pays Largest Amount.

Calumet township will raise for all  
purposes this year a total of \$428,000  
in taxes. This is an increase of about  
\$50,000 over last year, despite the fact  
that no township or highway taxes are  
to be raised.

Local taxpayers will be called upon  
to pay \$11.65 per \$1,000 of assessed  
valuation in District No. 1, an increase  
of \$2.95 over last year, while in Dis-  
trict No. 2, taxpayers will pay \$8.20  
per \$1,000 an increase of \$1.09 over  
last year's rate. The reason for the  
difference in the taxes in Nos. 1 and  
2 districts, is that the school tax for  
No. 1 is 5 mills, while in No. 2 the tax  
is 2 1/2 mills.

The township will raise for school  
purposes in No. 1 district an approxi-  
mate total of \$141,576.25, while in dis-  
trict No. 2 a total of \$25,973.28 will be  
raised.

The state tax will amount approxi-  
mately in this township to \$193,000,  
while the amount to be raised for  
county purposes will total about \$69,-  
000. Both these amounts as well as  
the school taxes are considerably higher  
than last year. The state tax espe-  
cially is high.

The total taxes raised last year for  
all purposes, amounted to \$347,000. Of  
this amount the C. & H. Mining com-  
pany was the largest contributor, pay-  
ing more than two-thirds of the whole.  
Treasurer William White will com-  
mence the collection of taxes on De-  
cember 1, and will continue collecting  
until March 1.

## BEAR HUNTING ILLEGAL.

Some of the trusty nincoms of the  
upper peninsula are unwittingly stor-  
ing up a vast amount of trouble for  
themselves by a disregard or ignorance  
of the new bear killing law. Formerly  
it was permissible to exterminate that  
creature at any time during the year  
that you were lucky enough to run  
across one, but beginning this year it  
is an offense, punishable by a heavy  
fine to kill the furry roamer of the  
woods and exterminator of garbage at  
any time between April 1 and Novem-  
ber 1.

The reason for this law is not known.  
Some maintain that it was because the  
wholesale slaughter of bears threat-  
ened to exterminate them, and others  
state that the "bear stories" became so  
numerous that the legislature decided  
it to be necessary to curtail the source  
of them.

## SIXTY DAYS IN JAIL.

Allouez Saloon Keeper Refuses to Pay  
Fine—Other Cases.

Isaac Bjerklund, a saloon keeper of  
Allouez, was brought before Justice  
Fisher last evening, charged with as-  
sault and battery; his wife preferring  
the complaint. The court fined him \$25  
and the costs of the case. Bjerklund  
refused to pay the fine, and was sen-  
tenced to 60 days in the county jail.  
He was removed to the jail late last  
night.

The case of Mrs. S. Cuna of Oncoola,  
charged with assault and battery on  
John Hicane was to have been heard  
in Justice Fisher's court this morning,  
but on the application of the defend-  
ant's attorney, M. H. Crocker, it was  
adjourned a second time, and will now  
be heard on October 29.

Albert Somerara was fined \$2 and  
costs yesterday afternoon in Justice  
James Curtis' court, on a charge of  
drunkenness. The fine was paid.

## ICE COMPANY MEETS.

A meeting of the board of directors  
of the Crystal Ice company was held  
Tuesday. It was decided to erect a  
large barn in the yards of the Copper  
Range railroad this fall, and bids for  
the erection of the same are to be  
asked for at once. It is the intention,  
if possible, to have the barn under  
cover before snow flies. The building  
will be 28 by 30 feet, two stories in  
height, and will meet all requirements  
of the company for some time to come.

The Laurium Copper City band will  
give a dance at Torrance's Hall Lauri-  
um, Saturday evening.

## CALUMET PREACHER IS CALLED TO MINNESOTA

Rev. J. O. Fisher, who for some time  
past has been pastor of the Red Jacket  
Congregational church has received the  
call to the pulpit of the Congrega-  
tional church of Princeton, Minn.,  
which he has accepted. He expects to  
take charge of his new duties after  
November 1, and will preach his fare-  
well sermon in Calumet on October 31.  
Rev. Fisher preached a sermon at the  
Princeton church last Sunday, and  
was very favorably received there. The  
church officers held a meeting this  
week, at which they decided to extend  
the call to him.

Princeton is a thriving little com-  
munity of 2,000 people, in the farming  
district. It is the county seat of Mil-  
waukee county, and the Congregational  
church has a membership of over 100.

Rev. Fisher's many friends in Calu-  
met will regret his departure from this  
community. During the time he has  
had charge of the services at the Red  
Jacket Congregational church he has  
become very popular, and his resigna-  
tion which was received a short time  
ago was the cause of general regret  
both outside and inside the church.  
He will be succeeded here by Rev.  
Mandus Barrett, who recently accept-  
ed the call which was extended to him.

## AUTOMOBILE ACCIDENT IS NARROWLY AVERTED

An automobile accident, which might  
have resulted fatally, was narrowly  
averted at the H. & T. L. railroad  
crossing near the office of the Portage  
Lake Coal and Dock company yester-  
day afternoon. To the presence of  
mind of the chauffeur, who was driv-  
ing the car owned by Ed. Leblin, may  
be attributed the fortunate escape.

It appears that the car which was  
occupied by Mr. Leblin and two  
friends, beside the chauffeur, was be-  
ing driven at a rapid clip from Lauri-  
um to Red Jacket, and as it ap-  
proached the railroad crossing a C. & H.  
locomotive emerged from behind  
the C. & H. warehouse. The chauffeur  
realized that he could not hope to cross  
the track in safety and applied the  
brakes, also turning the car. The occu-  
pants leaped to the ground. The car  
in turning followed the edge of the  
track just ahead of the engine.

The engine crew noted the impending  
danger, and after applying the emer-  
gency brakes, the engine was stopped  
within a few feet of the car, which  
was not damaged. None of the occu-  
pants were injured, although they were  
frightened and shaken up as a result  
of their leaps from the moving car.

In explanation afterward, the chauff-  
eur stated he had not seen the flag-  
man at the crossing, although those  
who were nearby at the time reported  
that he had given warning properly.

## DEATH OF MRS. MARY GRANT.

Funeral Services Will be Held Tomor-  
row Afternoon at 2 O'Clock.

The death occurred yesterday after-  
noon of Mrs. Mary Grant, aged 77,  
at the home of her daughter, Mrs. An-  
gus MacDonald of Rockland street.  
The decedent was ill only ten days, a  
complication of diseases being the  
cause of the demise. The funeral will  
be held tomorrow afternoon, Rev. E.  
Sedwick officiating.

The late Mrs. Grant was born in  
Ross-shire, Scotland, and when a girl  
of twelve years of age, moved to Can-  
ada. She resided in the Dominion for  
62 years, coming to Calumet three  
years ago. In addition to the daugh-  
ter at whose home she died, she is sur-  
vived by a son, Murdoch Grant, also

Court North Star to Mark Eigh-  
teenth Anniversary of the Order—  
Members and Their Families Will be  
Entertained Saturday.

The members of Court North Star,

made arrangements to observe the

that the event will be a very pleasant  
one. The regular meeting of the court  
will take place at 6:30 in the evening,  
and when it is concluded a choice con-  
cert program will be rendered. This  
will probably start at 7:45 in the  
evening, and will consist of musical  
and literary numbers. The concert  
will be followed by a banquet. All of  
the members and their families are  
invited to attend. The entertainment  
will be given in the Foresters hall, in  
the Odd Fellows building.

Court North Star is one of the  
strongest organizations of Foresters of  
America in the copper country, and its

## COUNCIL ROOM IS SECURED.

Arrangements have been made for  
the use of the council room of the  
Red Jacket town hall by the members  
of the Dokays of Calumet for a meet-  
ing next Sunday afternoon at 3:00  
o'clock. Important business is to come  
before the meeting and those who  
have called it are very anxious that it  
should be a successful one. There are  
in the copper country more than sixty  
Dokays and all the members are in-  
vited to attend. Plans for a dance will  
be discussed, and it is likely that busi-  
ness connected with the organization  
of a new temple will be considered.
